YOUR REAL ESTATE AGENT SELL
YOUR LAND***

***OUR CLIENTS ARE ONLY SENT
TO LAND WHERE OUR SIGNS ARE
DISPLAYED IN SELECTED
SUBURBS***

1300 403 180 buildsavers.com.au

FIRST, WE NEED YOUR APPROVAL

We have approached your real estate agent and we would love to work together to help sell your block of land. We are not real estate agents. BUILDSAVERS is a free consumer protection service for consumers who are looking at building. We help our clients find the right builder at an honest and accurate price.

With consumer complaints being the number one largest complaint area in fair trading and consumer affairs. We exist solely to protect consumers so they can have a great building experience while making informed and educated decisions.

At BUILDSAVERS our clients have the option to choose any quality builder, not just one. We're now needing vacant land in selected suburbs for our clients to build on.

Our service is completely free. We only receive a success payment should a consumer or investor build with a quality builder we recommend who is at a build price better than any they can obtain on their own. That builder pays us our success fee. To help find a buyer for your land all we ask in return is to place our sign on your vacant land. Our quality made sign has been purposely designed to attract consumers who are looking to build and sell your land.

Our sign is completely free and we pay for all installation and removing costs. It will stay on site for a period of up to 9 months or until the land is sold unless you or your real estate agent requests a removal which will happen within 48 hours.

If your happy for us to start assisting your real estate agent and sell your land! All we need from you is to contact your real estate agent and say YES and we will then get underway immediately or email us at admin@buildsavers.com.au

Install Our Free Sign To Help Sell Your Vacant Land Today!

Tell your real estate agent it is a YES.

Let BUILDSAVERS help your real estate agent sell your land quicker!
